

Authorship, Originality, and Copyright Transfer Agreement

Journal Title: _____

Article Title: _____

Corresponding Author Information Name: _____ Email: _____

1. Authorship Responsibility (**Please check**)

I confirm that all listed author(s) of this article (hereafter called the “work”) have made substantial intellectual contribution to the work and are responsible for the content of the work.

2. Originality of Content (**Please check**)

I confirm that this work is original and has not been published in or under consideration by another journal.

3. **Please ONLY check one**--either *A. Open Access Model*; or *B. Subscription Model*

A. Open Access Model (Creative Commons Attribution License)

I, acting with consent of all listed authors, agree to publish the work in the model of Open Access in the journal.

Open Access papers are distributed under the Creative Commons Attribution License. Under this license, authors retain ownership of the copyright for their content, but allow anyone to download, reuse, reprint, modify, distribute, and/or copy the content as long as the original authors and source are cited properly.

B. Subscription Model

I, acting with consent of all listed authors, hereby transfer copyright of the work to CIP.

The copyright transferring to CIP refers to the exclusive copyright interest in the work and all subsequent editions (including closures and errata), and in translations, derivatives, ancillaries, in all formats and media of current and future developed, in all languages.

Notes:

- (1) The author(s) retain(s) patent, trademark and other intellectual property rights. No proprietary right other than copyright is transferred to CIP.
- (2) The author(s) retain(s) the right to make copies of the published work and distribute(s) the copies (including via e-mail) of the work to research colleagues. (The copies are only for personal use of the author(s) and the colleagues. The author(s) and the colleagues should not use the work for commercial purposes).
- (3) The author(s) retain(s) the right to post the draft (before CIP staff working on the typesetting) of the work on the Internet.
- (4) The author(s) retain(s) the right to extend the work into book-length format and the right to use parts in other works, as long as the original publication is fully acknowledged.
